WELCOME TO ISC EAST!

The International Security Conference & Exposition – also known as ISC East – is the Northeast's leading security & public safety event, hosted in collaboration with premier sponsor Security Industry Association (SIA) and in partnership with ASIS NYC. Each year, in order to keep our communities safe and secure, security dealers, installers, integrators, and consultants, along with corporate, government and law enforcement/first responder practitioners, convene in New York City to network, learn and evaluate the latest technologies and solutions from premier exhibiting brands. The combination of one-on-one conversations with top innovators, high-quality special events, and cutting-edge education and training, make ISC East the most comprehensive East Coast event to guide the industry in getting back to business.
